SUPPLEMENTAL SUBMITTAL OF DOCUMENTS PURSUANT TO DUTY OF DISCLOSURE

Pursuant to applicant's duty of disclosure under 37 CFR Sections 1.56 and 1.97, enclosed is a completed Form PTO/SB/08A which lists a document relating to the above-referenced patent application. Since this document submittal is being presented prior to the first examination on the merits, no fee is due herewith.

DE 1 509 513 discloses an upper roller-type shutter end rail.

The listed document is brought to the Examiner's attention because it is known to the applicant and/or the applicant's attorney and may be considered by the Examiner to be material to his/her examination. This listing should not be construed as representation that a search has been made or that no better art exists. No inference should be made that the document is in fact material merely because it is referenced herein. Moreover, no representation is made that the brief description of the reference herein necessarily describes the most material aspects of the reference. Further, by this listing, the applicant is not making any admission regarding the relative dates of the invention and the listed disclosure.

Respectfully submitted,

David S. Jacobson
